OFFICE OF LEGISLATIVE COUNSEL

Thursday - 28 September 1967

25X1 1. [] Talked to Bernie Martin, Bureau of the Budget, concerning S. 1035. Martin told me that the House Committee on Post Office and Civil Service has requested reports on the bill from the Bureau of the Budget, the Civil Service Commission, and the Department of Justice. In turn the Bureau of the Budget will request reports from the Department of Defense, the Agency, the Atomic Energy Commission, the Treasury Department, and possibly the Department of State. He also noted that the Bureau of the Budget has been informed by the House Committee on Post Office and Civil Service that the Committee is in no rush to consider the bill and will probably do nothing with it until the Spring of 1968 unless strong pressure is exerted by the employee unions.

25X1 2. [] John Medved, in the office of Representative Michael Feighan, called regarding a problem involving the family of []
25X1 [] an Agency employee who, according to Medved, is serving overseas.
25X1 [] is having difficulty
25X1 [] I told Medved that this was a matter of State law and University regulation that, seemingly, could best be handled by their district office. (The Office of Security was advised of this inquiry.)

25X1 3. [] Attempted several times during the day to meet with Representative F. Edward Hebert (D., La.) and with Representative Melvin Price (D., Ill.), but neither was available through his office during the day.

25X1 4. [] Met with Lt. Col. Labre Garcia, Staff Assistant, Hardy Investigative Subcommittee, House Armed Services, who advised that DIA had not completed their testimony today and would probably be returning on the third or possibly the fifth. It was also noted that in yesterday's meeting with John Reddan, 10:00 a.m. was suggested as the time for Agency meeting with the Committee on October 9, 1967.
